Susan Madsen
Skagit Fisheries Enhancement Group
PO Box 2497
Mount Vernon, WA 98273

Hi Susan,

On behalf of Patagonia's World Trout Grants Council, I'm pleased to send you this \$5,000.00. conservation grant check to support the Skagit Fisheries Enhancement Group's volunteer-based spawner survey, vegetation and juvenile salmon monitoring programs.

As we ask of all our grant recipients, please acknowledge receipt of this grant. We also request some type of reporting on a bi-annual basis. We are interested in hearing about your progress, successes, and roadblocks. We wish you great success with your efforts to protect the salmon and waters of the Skagit Watershed.

Keep up the great work!

Cheers,

Ron Hunter
