Authentication for MMPA/ESA Section 10 Permits

Before you can submit your application, you must authenticate your identity and certify that all information is correct. Please print out this page, sign it, and fax it to the appropriate number listed below to authenticate your identity. When receipt is confirmed, you will be able to submit your application and will be required to certify the accuracy of your application. Your signature will remain on file with the appropriate office for use for the next five years or until you apply for a new permit, whichever comes first.

WHO SHOULD SIGN?

This page should be signed by the **Applicant/Permit Holder** (the person, institution, or agency that is ultimately responsible for all activities of any individual who is operating under the authority of the permit). If the Applicant/Permit Holder is not a person (e.g., NMFS Science Center, University) the **Responsible Party** should sign. If the **Principal Investigator (PI)** is different than the Applicant/Holder, then that person should also sign. (For more information on the different types of permit roles, please see the Help Document.)

I hereby certify, under penalty of perjury, that the information in this electronic application is complete, true, and correct to the best of my knowledge and belief. It is my intent to submit the information for the purpose of obtaining a permit. Should a permit be issued, I will be responsible for the activities conducted under this permit.
